

To Whom It May Concern,

I think they should stay in jail because they murdered someone I think that's just wrong. I loved Scott Rehn he was the best person anyone could ever meet. You probably know that he was a father of two and a grandfather as well. You're probably wondering why I feel so strongly about Scott Rehn ,well here's why it's because I'm his ten year old granddaughter. I was only one years old when he was murdered, I barely even knew him, then they took him away from me. And that's why I think they should stay in jail forever, I really don't they should even live, but I'm not going to get into that.

His granddaughter,
