To Whom It May Concern:

I am Scott Rehn's mother and I am unable to attend this hearing, but I want you to know how important it is to our family that Marnie Peot never has a chance of freedom. Marnie and Richard brutally murdered my son, they are ruthless cold blooded murderers. They showed no mercy or remorse. As I understand it, Marnie is the one that fired the gun, she shot my son in the shoulder, he was just injured, and then they suffocated him with duck tape. How cruel is this? What kind of a person could do this type of thing to another human being?

When I think of his last hour of life, my heart breaks, there is not a day goes by that I don't think of how he must have suffered. I loved my son more than life, and I would gladly have traded places so that he could have had the rest of his life. Marnie Peot has deprived him of life. Deprived us of ever seeing him again. Scott loved his family, he adored his daughters and he would be so proud if he could watch his grandchildren grow up. Marnie took all of this away from him, and she inflicted pain on our entire family when she murdered our son. We will never be free of this pain and I don't believe that she should ever have freedom.

I understand that Marnie has children. She didn't even consider what this might do to her children. How could a mother commit such a heinous crime. How sad for them that they have a murderer for a mother. Please don't consider her for parole.

Sincerely,

Sidney Reynolds
